GREDO is an indigenous local NGO. Non-profit non-partial, non-political and voluntary organization based in Baidoa. To reach the most affected grass-root communities in Bay and Bakool regions effectively and efficiently, the necessity of local partnership in relief program appeared. Responding to the partnership need, a group of Somali intellectuals and well-wishers initiated in December 1992 a local non-governmental organization called Gargaar Relief and Development Organization (GREDO). The organization has implemented during these period different projects including relief and emergency programs and later improved into rehabilitation and developmental programs

GREDO in partnership with FCA is implementing Integrated and Inclusive Education in Emergencies Response for Crisis Affected Children in Hudur funded by ECHO
